Dear Dr. Naylor

Bioreductive Conjugates
National Phase Application derived from PCT/GB98/00461
US Declaration & Power of Attorney Form, US Small Entity Form, US Assignment Form,
Canadian Assignment Form

I enclose the above forms for signature which relate to PCT/GB98/00461.

As you may be aware, we have been attempting to arrange for signature of these forms since August 1999.

We still require them to be signed to complete this stage of the patent process for the above application.

I would be grateful if you could sign and date the forms yourself, and arrange for them to be witnessed as detailed in the documents.

Please then return them to me at Manchester Innovation (Vuman as was) within 7 days of receipt. I enclose a stamped addressed envelope for your convenience.

If there is any problem, please could you contact me (preferably by Email [Jackie.Beattie@vuman.co.uk] or fax as above) to let me know.

Thank you.

Yours sincerely

Jacqueline Beattie

Dear Ms Beattie

Thankyou for your letter and enclosures ref. Q97/019. I have forwarded the documents to my legal advisor prior to signature. In the meantime and, before final signature, it is vital that I receive a breakdown of how any equity derived from the invention is to be divided between inventors. This must be an official document, with relevent figures/percentages, agreed and approved by the directors of Theramark.

Yours sincerely
